

I am writing to thank you for your generous \$1500 Scholarship Assistance for Veteran Education (SAVE) Fund Undergraduate scholarship. Learning that I have been chosen as the recipient of your scholarship has honored me and filled me with thankfulness and appreciation. I am extremely grateful for the help I have received in my continuing pursuit of higher education on behalf of the SAVE fund.

I am currently pursuing a Bachelor's Degree in cybersecurity and digital forensics. I plan to pursue a career in cybersecurity upon graduation, at which time I will continue my studies at Hedges University and earn my Masters Degree. I am currently a Senior, and plan to graduate in the Summer of 2018. Upon completion of my studies I plan to enter the law enforcement field as a fully qualified cybersecurity professional and focus on digital forensics. Because of your gratitude, my goals are more within reach than ever before.

By awarding me the scholarship Assistance for Veteran Education you have given me the opportunity to further focus my efforts on learning and in turn have given me more time to strive towards maintaining my 4.0 grade point average. The generosity you have shown inspires me to continue to give, and I look forward to contributing the academic success of other hard-working individuals.

Sincerely, and with heartfelt appreciation,

Chris Matcos
