Veteran Education (SAVE) Fund

Dear Scholarship Donor:

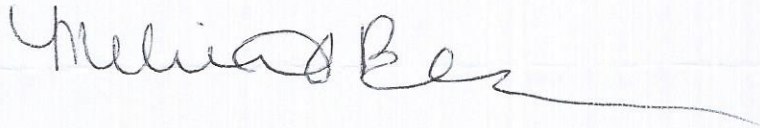

I would like to take this opportunity to thank you for your generosity for funding the Veteran Education Fund. I am extremely honored to have been chosen for this award for the 2018 winter term to help me with my higher education.

I am a Criminal Justice major working on my second term at Hodge's University. I plan to graduate in spring of 2019 with an Associate's degree. After graduation I plan to help give back by cleaning up the streets of their crime.

This scholarship will help me reach my goal and be able to stay more on task than to worry about the financial side of school this term. Your financial generosity has allowed me to be one step closer to my goal as well as, help others by giving back to the community one day after graduation. Again, I want to thank you for choosing me I am beyond grateful.

Sincerely,

Melissa Brinkman

A handwritten signature in black ink that reads "Melissa Brinkman". The signature is written in a cursive style with a long, horizontal flourish extending to the right.
