Mr. Herman Kaufman
c/o Wounded Warriors of Collier County
4851 Tamiami Trail N. #200
Naples, FL 34103

Dear Herman,

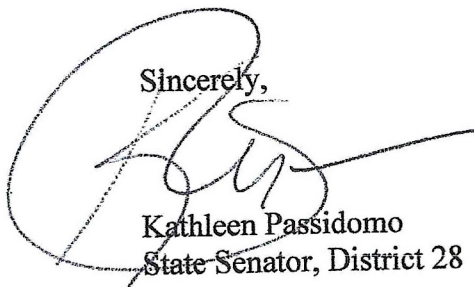

I recently learned of your incredible act of kindness benefiting the Wounded Warrior cause in Collier County. I was amazed not only by the amount of the donation, but more importantly, that a 13 year old young man would have the empathy and understanding to conceive and follow through with the plan.

“Just as ripples spread out when a single pebble is dropped into water, the actions of individuals can have far-reaching effects.”-Dalai Lama

I am certain your grandfather and his crew are watching and are so very proud of the man you have become. They each dropped that proverbial pebble into the water and now you are continuing the tradition.

You are a role model to children and adults equally. Our nation is in good hands with young citizens like you who will rise to leadership positions. I look forward to hearing about you in the future, as I am sure you will do great things!

Sincerely,

Kathleen Passidomo
State Senator, District 28
